

### Spam Digest for Tuesday, April 2, 2013

Your email is now protected by EdgeWave spam and virus filtering. Mail sent to you will be automatically filtered before it arrives in your inbox and the spam will be stored in an online quarantine. This digest lists all the mail in your quarantine that has arrived since the previous digest was sent. You can adjust the delivery frequency by clicking on one of the links at the bottom of this message.

2 entries found for <idthompson@havalandtelco.com>
